There are hundreds of live public sector recruitment frameworks, but only a fraction are actively used by your target accounts. Until now, uncovering which ones matter most has been guesswork.

With this curated list of live recruitment frameworks, you can start building a focused pipeline of opportunities - and identify the frameworks you need to be on to win more public sector business.

Curious about the value and volume of call-offs from each one? And want to discover which frameworks your target accounts are using?

[Book a Tussell demo to get the full picture](#) - including real-time insights into the top-performing frameworks in your market, and a ready-made list of DPSs and dynamic markets you can join today.

## Finding the right **frameworks** for your business - it's as easy as 1, 2, 3.

**£36.2bn** worth of public contracts went through framework agreements in FY24/25. If you're not on the right frameworks, you're missing out on millions in new deals.

1

Use **Frameworks Finder** to see all the live frameworks and Dynamic Markets in your sector, in seconds;

2

Use the **Framework Usage Tab** to see how many contracts went through your market's key frameworks;

3

Then, use the **Framework Analysis Module** to find specific call-offs, who won them, and which buyers awarded them.
